## WHERE TO DINE AFTER YOU REHEARSE:

At the SURF LODGE, says Lyndsey Hamilton of Lyndsey Hamilton Events. "The music is great, the lounge is beachy, and the decor reminds me of a fabulous Malibu bungalow--without a doubt, one of the best gems in the Hamptons." [thesurf lodge.com](http://thesurf lodge.com)

## KEEPSAKE FROM THE TRIP:

#### WHAT TO GIVE YOUR GUESTS:

Guests will enjoy a tin of sinful popcorn from THE HAMPTON POPCORN COMPANY. Favorite flavors among the locals are s'mores, chocolate caramel crunch and mesquite cheese. You can give your guests customized tins with the signature blue and white stripes to remember you by. [hamptonpopcorn.com](http://hamptonpopcorn.com)

**DÉCOR NOT TO BE IGNORED:** Hand over the reins to local design guru Claire Bean Floral & Event Design who will transform your porch into a ceremony site, using simple draping and lots of color without costing you a fortune. "Color is the only free thing coming to your wedding, so work it. Add interesting patterns and you have taken it to another level altogether." [clairebean.com](http://clairebean.com)

**WHERE TO WED:** At the historic MULFORD FARM in East Hampton. Listed on the national register of historic places, this English colonial farmstead offers the ultimate in rustic elegance. You can host your ceremony in a garden reminiscent of the 18th-century, enjoy cocktails in an old English barn and dance the night away under a tent on this sprawling property.
